For your convenience Scrutiny, Trailer Park, Drivers Briefing, Service Park, Rally Start Control, Finish Control and prize giving will all be at former Grosvenor Barracks, Coleshill Road, Enniskillen, Co Fermanagh BT74 7HG.

Mechanical/Documentation Scrutiny will take place at the following times.

Friday 31 August 2018 between 6.30pm and 9.00pm

Saturday 1 September 2018 between 7.00am to 8.30am

GPS: Lat 54°20'39.4581" N – Long 7°39'42.9362" W – All Crews within a 40 mile radius are being asked to attend Scrutiny on Friday night. It would be really appreciated by the organising team if all local crews can attend on Friday night. With the great entry that we have this would take the pressure off for Saturday morning. Anyone further afield that would like to attend on Friday night is of course also welcome.

Documentation Scrutiny – Following mechanical scrutiny all crews are asked to proceed directly to documentation scrutiny also at former Grosvenor Barracks, Coleshill, Enniskillen. Both Mechanical Scrutiny and Documentation Scrutiny on Saturday morning will take place at former Grosvenor Barracks, Coleshill, Enniskillen.

There will be overnight security on Friday night for anyone wishing to leave their vehicles in the service park.

All Rally Cars and Service Vehicles are to be in the Barracks before 8.00am. We would ask that only one service vehicle per competing crew enter the Barracks.

The Drivers briefing will be at 9.00am on Saturday 1st September 2018 at the signing on marquee.
First Car away 10.31am.

Please ensure you are entered in the correct class before the start of the event.

Please ensure your vehicle has a spill kit, SOS/OK board and a triangle and that your service crew has a ground sheet.

Refuelling

Crews are reminded that re-fuelling may only take place within the designated re-fuelling zone or at a filling station along rally route. There will be a Re-fuel zone within the Service Park complex and crews should make their own arrangements for the manual transportation of fuel to and from this location. Fuel being transported to the service park and to and from the re-fueling zone is the responsibility of the competitor/entrant. This must be done so using appropriate containers, securely sealed to prevent leaks/spills within the Service Park.

Generators

All competitors are recommended to use diesel or LPG generators in preference to petrol models. The use of generators should be suitably risk assessed. They should be positioned to prevent unauthorised access or suitably barriered off, and an appropriate fire extinguisher(s) should be positioned in close proximity to the generator.

Reminder: - Please be aware of SR 11.23 (Abusive Behaviour/Language). Any competitor, or member of a service crew, who directly or indirectly abuses an official of this event either verbally or by any other means will be excluded and reported to the MSA.

Anyone unable to take part please text / contact Lorraine Simpson (079 749 29303) as soon as you can.
