The Organising Committee

## ***Welcome Note***

On behalf of Enniskillen Motor Club it gives us immense pleasure to welcome everyone from competitors, volunteers and spectators to Fermanagh for the Tuff Mac Trailers Lakeland Stages Rally.

Our title sponsor is Hugh McQuaid of Humac Engineering and in the guise of Tuff Mac Trailers the company based outside Omagh manufacture a vast range of agricultural and contemporary trailers to suit every need, we hope you can support them as their support to us is very much appreciated.

The club is delighted to welcome the Valvoline Irish Forestry Championship aboard this year and are equally proud to have the continued presence of the McGrady Northern Irish championship yet again.

The event is also a counting round of our very own club championship, indeed all three championships provide the competitors with a sense of purpose and with it a goal to aim for, each in their own right are well supported due to the high level of organisation and professionalism of all involved in the running of them.

We as a club are indebted to the forestry commission for the continued use of their lands.

Thanks must also go to the many un-thanked volunteers who give up their free time to ensure the smooth running of the event, and to the competitors we are grateful for your support and entry please show your gratitude to all officials and volunteers throughout the event.

To you the spectator we urge you to help us keep our sport by obeying and working with our marshals and officials to ensure the safety of our event is strategically followed .

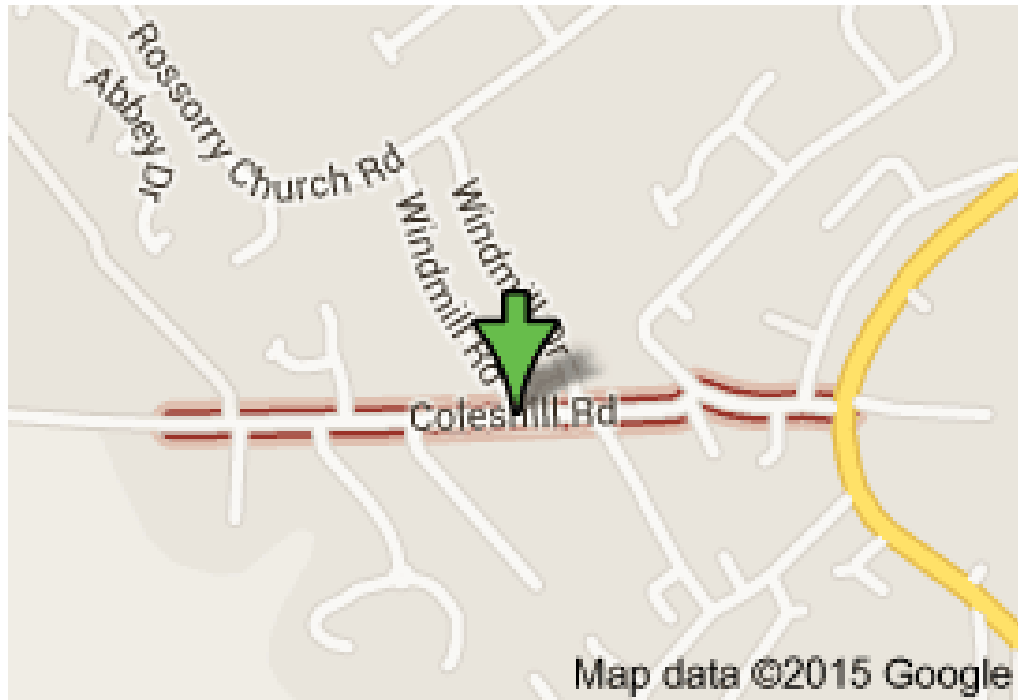

Thank you for reading our Rally Guide we hope it gives an incentive to enter our event as early as possible, here's wishing everyone a thoroughly enjoyable but amongst all a safe event
